

## IGATEX Pakistan 2017: Pakistan's pioneer event of its kind is back to Karachi

**FAKT Exhibitions (Pvt) Ltd. brings back the most awaited event IGATEX Pakistan 2017- The 10th International Garment, Textile Machinery & Accessories Exhibition & Conference to Karachi. The only pioneering four-day event of its kind, which will mark its presence in Karachi Expo Centre from 26th to 29th April 2017.**

The tradeshow will introduce high-end technology, machinery and equipment which will provide business opportunities and add value to our exports and hence, will increase the product worth that will positively effect on the economic well-being of Pakistan. The event is known to not only introduce latest technology and service expertise in textiles machinery sector but also offers trade benefits and increase foreign investments and spending through business visits by international delegates.

IGATEX Pakistan has become an

increasingly significant textile and garment event with its scale setting new records year after year. As the largest textile and garment machinery show in Pakistan, it gathers more than 550 exhibitors from around 35 countries including Austria, Belgium, Canada, China, France, Germany, Greece, Holland, India, Italy, Japan, Korea, Portugal, Spain, Sweden, Singapore, Switzerland, Taiwan, Turkey, United Kingdom, United States of America, etc. with a number of innovative and versatile machinery models to be debuted at the fair.

Mr Saleem Khan Tanoli, C.E.O FAKT Exhibitions (Pvt) Ltd. stated that "IGATEX PAKISTAN has played a pivotal role in the development of textile industry by introducing efficient machinery to local manufacturers and the event is bound to bore succession and growth for the industry stakeholders." This edition of IGATEX 2017 will be an enriching

experience for textile machinery manufacturers, providing them with an opportunity to directly sell and market their equipment to quality buyers and decision makers in an exceeding competitive global business environment. This event will create business opportunities and expansion in the textile industry of Pakistan."

The exhibiting companies will be displayed spinning, weaving, knitting, dyeing, finishing, digital printing and embroidery machines while textile chemicals dyes and auxiliaries will also be exhibited in the concurrent event ICADEX Pakistan 2017 (The 4th International Chemicals and Dyes Industry Exhibition and Conference).◆
