

Rastgar seminar on compressed air Quality

Rastgar & Co, authorized distributor of CompAir Air Compressors in Pakistan, hosted a dinner on 8th March 2017 at Marriott Hotel, Karachi to honor industries of Pakistan for their business to Gardner Denver FZE and Rastgar.

The demand for high-quality air for meeting the needs of food, pharma, textile and other industries was stressed by Chairman, Imtiaz Rastgar, while addressing guests at a dinner in honor of dignitaries from manufacturing industries and the visiting team from Gardner Denver FZE, UAE.

“It is part of our corporate social responsibility to attend to the Compressed Air utility in the industry so as to supply the appropriate quality of air to each process at the lowest possible energy cost,” said Imtiaz Rastgar.
