

17th Textile Asia recorded large number of visitors

Pakistan Readymade Garments Manufacturers & Exporters Association (PRGMEA) and Ecommerce Gateway Pakistan have jointly organised a three-day 17th Textile Asia- International Textile & Garments Machinery Trade Fair at Karachi Expo Centre during 28th to 30th March 2017.

This 3-days trade fair was inaugurated by Inam Ullah Khan, Secretary, TDAP. He said that Textile Asia is one of the leading garment, embroidery, digital printing machinery, chemical and allied services fair. More than 1,000 International Brands displayed their products in over

700 booths and over 1,200 foreign delegates from 27 countries mainly from Austria, China, Czech Republic, France, Germany, India, Italy, Korea, Taiwan, Turkey, UK and USA participated at the event.

PRGMEA Chief Coordinator Shaikh Muhammad Shafiq revealed that this trade fair was visited by 65,000 people from trade and corporate sector as well as more than 1,200 foreign delegates. The focus of this trade fair is value addition in the textile industry to increase the export of our value-added textile and garment products.

President Ecommerce Gateway Pakistan, Dr. Khurshheed Nizam said that Textile Asia is the UFI (Paris) approved Textile trade fair, which showcases immense buying selling potential of textile, garment and allied industries and poised to introduce overseas suppliers of textile and garment materials, accessories and parts and machinery to the textile and garment industry of Pakistan and complement their efforts for high quality, value-added products and assist them to further develop their business in the export markets. ♦

Son-tech[®] UFHT Towel dyeing machine by Umar Fasih Trading

According to Mr. John Wu, Sales Director, Son-tech Precision Machinery Co., Ltd. was founded in 1997 and is located in Huabao South Road, Foshan National High Technology Development District, Foshan, Guangdong, China.

United Towel, Karachi has recently installed two sets of UFHT Towel dyeing machines of 1600 Kgs.

M. Yahya M. Yousuf Bari Mills have also installed two sets of 1200 Kgs and 1600 Kgs UFHT machines respectively.

Fatima Weaving has installed six towel dyeing machines.

Pakistani home textile market is very important for TEXPRO[®]. Our R&D department is constantly working on new products suitable for Pakistani market.

Our UFHT is a complete new age of towel dyeing machine which combines with a number of successful research and development. Its liquor ratio can reach

1:4.5 when full loading. It helps further reduce energy consumption and process time and also ensures perfect dyeing quality. The special design of the fabric chamber allows the customer to utilize 400-kg fabric capacity per chamber. ♦
