InoCotton GROW
kick-off
conference**

Kick off conference was held at National Textile University (NTU), Faisalabad on 11th July 2017, with the main objective of starting a new project between Pakistan and German - to get maximum cotton yield with minimum irrigation water and to minimize the bad effects of excessive water during the manufacturing of the textile products. This project will be completed with cooperation of 24 Pakistani and German partners. Dr. Zafar Javaid , Registrar NTU, thanked all the distinguished guests from Germany and Pakistan and wished them success. He also appreciated Dr.Waseem Ibrahim, Chief Organizer and Dr.Hafsa Jamshaid, Chief Coordinator of this conference. ♦
