

Exhibitors from Pakistan

GTM Europe Ltd. (Gul Ahmed)

The story of textiles in the subcontinent is the story of Gul Ahmed. The group began trading in textiles in the early 1900s. The group entered in the field of manufacturing with the establishment of today's iconic name of Gul Ahmed Textile Mills Ltd in the year 1953. Since its listing on the Karachi Stock Exchange in 1970, the company has been making rapid progress and enjoying a leading position in the world of textiles.

GTM (Europe) Limited, incorporated on 5th March 2003 with the registered office located in Greater Manchester.

Ali Sheikh, General Manager - Export Marketing, Gul Ahmed Textile Mills was present at the exhibition. The excellence in quality and service is the hallmark of all operations performed at Gul Ahmed and in this context, the GTM (Europe) Limited is also standing by its business values. Gul Ahmed is active in manufacture and sale of textile products.

Faizan Shahzad Pvt. Ltd.

Faizan Shahzad Pvt. Ltd. incorporated in 1991 as a Private Limited company is based in Faisalabad, Pakistan. The company produces various kinds of fabrics such as 100% cotton, poly/cotton in greige, dye and printed from 36 inches

to 126 inches finished widths.

According to Shaheel Shahzad, "We are exhibiting at Textfusion for the first time and receiving tremendous response from the visitors. We have showcased the entire collection of cotton and poly cotton products. We can provide the fabric and as well as finished products. Our wide of coordinated concepts in bed-linen, comforters, bed-spreads, table-linen and kitchen accessories are highly appreciated for their quality of fabric, a variety of designs and superior finishes."

Shaikh M. Shaheel Shahzad, Director, Faizan Shahzad Pvt. Ltd. during an interview with PTJ said, "Although is our first participation at this fair, but our company has more than 25 years of experience in home textiles. We started as grey cloth manufacturers, and today our operations include bleached and printed finished products. Due to our top-notch quality, our clientele has expanded exponentially resulting in annual revenue of over \$10 million in the recent years. We offer a wide range of coordinated concepts in bed-linen, comforters, bed-

spreads, table-linen and kitchen accessories and in my opinion, we are highly respected for the quality of fabric, variety of designs and superior finishes."

The company has a large portfolio of production equipment comprising of power, auto, shuttleless and air jet looms. Faizan Shahzad has approached quality control with the philosophy that everyone in the company is responsible for quality.

Shaheel Shahzad concluded, "We maintain an inventory of approx. one million meters of greige. The objective is to fulfil in time the requirements of our valued buyers all over the globe. We have an ultra modern stitching unit, which is run by the highly skilled staff. We are the pioneers in producing bed sets, cushion covers, kitchen linen, hotel and hospital textiles. Our daily production is approximately 1500 sets." ♦
