

Stefan Thulin assumes sales responsibility for the entire Lüscher product range

Effective from January 2018, Stefan Thulin, new Sales Manager, is supporting the distribution team of Lüscher Technologies AG for the entire product range. As a first step, he has assumed sales responsibility for Scandinavia, the Russian Federation and Eastern Europe as well as for England, France, Portugal and Spain.

For professional colleagues and branch experts, Stefan Thulin is a familiar face: he used to work for Lüscher years ago, selling computer to screen devices. Stefan Thulin has long-time experience in the graphic arts industry and in selling investment goods. He will be caring for all existing distribution partners and expand the distribution network.

With the appointment of Stefan Thulin, Lüscher Technologies AG has made a perfect complement, according to Urs Bachofner, Vice President Sales and Marketing. And he himself, so Stefan Thulin, looks forward to his new challenge working as Sales Manager for Lüscher Technologies AG, convinced that his commitment in a globally operating company is going to be an exciting and diversified challenge. ♦

Mr. Stefan Thulin.

DSM appoints Wilfrid Gambade as President DSM Dyneema

Effective from January 15, 2018, Royal DSM, a global science-based company active in health, nutrition, and materials, recently announced the appointment of Wilfrid Gambade as President DSM Dyneema.

Wilfrid Gambade is an experienced senior leader who joined DSM in 2009 and was responsible for the Composite Resins business in Europe and then from 2011 moved into the role of President Composite Resins & Synres. For the past three years, he was very successful in turning around DSM's Personal Care

business and integrating DSM's Aroma Ingredients business into a comprehensive Personal Care & Aroma Ingredients organization, which will allow synergies and is prepared for future growth.

Mr. Gambade, a French national, holds a BSc in Polymer Chemistry from ITECH, Lyon and brings nearly 25 years of international experience in general management and sales and marketing in the cosmetics and chemicals industries (such as textile and coatings). ♦
