

## ITM 2020 duration extended to five days

New dates are 2<sup>nd</sup> to 6<sup>th</sup> June 2020.

ITM 2018 Exhibition held on April 14-17, 2018 have transformed into a textile show, thanks to the foreign visitors from 94 countries, the increasing number of domestic visitors, the increase in the number of machines exhibited and with the increase in the scale of the exhibitor booths.

The ITM 2018 International Textile Machinery Exhibition, which has achieved great global success, attracted a lot of requests in the questionnaires from our participants and our visitors that the exhibition duration of four days was not sufficient for such a huge organization and that the duration has to be extended to five days. Teknik Fuarçılık A.S and

Tüyap Tüm Fuarçılık Yapım A.S, showed sensitivity to the requests and extended the exhibition period to five days.

Accordingly the dates of the ITM 2020 Exhibition is changed to 2-6 June 2020, which was previously announced to be held between 3-6 June 2020. The sales for the ITM 2020 Exhibition has started. ♦
