

# 5<sup>th</sup> DPS World 2019: Pakistan's only exhibition for digital printing and signage industry

Pakistan's Premier Digital Printing & Signage Exhibition – 5th DPS World Pakistan took place from 15th to 17th October 2019 at Lahore Expo Centre organized by FAKT Exhibitions (Pvt.) Ltd. concludes successfully with great success and a large number of quality visitors.

The exhibition was inaugurated by Mr. Irfan Iqbal Sheikh, President of the Lahore Chamber of Commerce & Industry, along with Mr. Saleem Khan Tanoli - CEO FAKT Exhibitions (Pvt.) Ltd. and numerous foreign and local exhibitors.

On this occasion, President LCCI stated that "FAKT Exhibitions have taken a wonderful initiative by organizing DPS WORLD PAKISTAN Exhibition, which will provide an opportunity for the Digital Printing and Signage industry to showcase their state of the art technologies and services. He further added that exhibitions like DPS WORLD PAKISTAN have played a pivotal role in strengthening our industries, providing business, employment opportunities and uplifting the economy of Pakistan."

The mega exhibition received an overwhelming response, as more than 100 companies participated from countries like China, Germany, Italy, Japan, Korea, Switzerland, Turkey, UK, USA and many more. The exhibitors displayed a wide and exquisite range of innovative tech-

nologies and solutions, such as: wide format digital printing, flatbed printing, signage and sign systems, laser cutting, engraving, inks and consumables, laminating and finishing, textile printing, vinyl and substrates, 3D printing, LEDs, vehicle wrapping, screen printing and much more.

The three day exhibition will last till 17th October 2019 and is expected to attract around 15,000 local and international trade visitors, providing them an ideal opportunity to get acquainted with innovative and state of the art technologies for digital printing and signage industry.

According to Mr. Saleem Khan Tanoli, CEO, FAKT Exhibitions Pvt. Ltd., "We are the organisers of IGATEX one of the leading textile machinery exhibition in the region. About five years ago we realized the need for a separate exhibition for the fast growing digital printing market of Pakistan. Since our first edition in 2015, we have seen a remarkable growth and

interest in the show. Leading brands such as SPGPrints, Roland, Epson, DGI, Atexco and Homer are represented this year. On the first day, Epson has launched a new dye-sublimation printer for the first time in Pakistan."

He added, "I have the vision to help the industry achieve their highest potential through investment in the best technologies and solutions. I am encouraged to note that some of the leading companies representing the textile sector have visited the exhibition in two days. These are the serious visitors who are keen to learn about digital printing technology."

He concluded, "One of the very interesting features of this edition is a comprehensive range of digital inks and auxiliaries which are on display. EPTA Inks, SPGPrints and Sensient are some of the brands that can be found at DPS World. I wish the exhibitors and visitors great success in their endeavours on behalf of FAKT Exhibitions Pvt. Ltd." ♦
